Dear Sir,

JRGENT

Subject - Acquisition of private lands behind Urdu Primary School, Subedarchatram Road, 5th Division, Bangalore City, for formation of a new Road

- o -

With reference to your letter No L 5858/C M 1-56-16 dated 5-7-56 stating that sanction of Government cannot be accorded to acquire the lands under Section 17, Land Acquisition Act and only ordinary procedure of law may be followed in the above case, I write to state that in this proposal, the lands proposed for acquisition are waste vacant lands and with the consent of the owners they were taken possession by the Corporation Engineer in 1953 in anticipation of instituting regular acquisition proceedings and the road was formed But the matter was delayed in the Standing Committees for about 2 years and the proposal was finally approved by the Corporation at their meeting held on 17-4-56 For the delay so far caused, the Corporation will have to pay interest at 6 % on the Award amount if demanded by the parties from the date of taking over the lands The parties have already issued number of notices to this Corporation for settlement of

p t o

of compensation early and if the matter is further delayed, they may even approach the Civil Court to seek redress in this behalf.

In the above circumstances, it is nor desirable to make any further delay in settling the compensation amount due to the parties which is long over due As suggested by you in the letter under advertance, if the ordinary procedure is followed in this case, there will be further delay of 2 or 3 months for which period the interest will accrue and the parties may proceed to file civil suits against this Corporation for non-payment of compensation so far and the matter will lead to further complication.

I, therefore, request you kindly to accord sanction of Government under Section 17, Land Acquisition Act, for this proposal as a special case and to communicate the Government Order very early The draft Notifications and the plan are herewith returned for favour of necessary action.

The matter may kindly be treated as urgent.

Yours sincerely,

G R Thammaraja
